About the Program:

The Faculty Development Program (FDP) on Intellectual Property Rights (IPR) held at G. Pulla Reddy Engineering College was a comprehensive week-long initiative aimed at providing insights and understanding into various facets of IPR. The program was organized with a meticulous schedule covering essential aspects of IPR.

Schedule Overview:

Day 1: Introduction to IPR - The inaugural day commenced with an insightful introduction to the fundamental concepts and significance of Intellectual Property Rights, setting the stage for an engaging week ahead.

Day 2: Variants of IPR - Participants delved into a diverse array of IPR variants, exploring patents, copyrights, trademarks, and their unique characteristics and applications.

Day 3: Patent Filing - A detailed session on the intricate process of patent filing, including documentation, procedures, and legal aspects, equipped attendees with practical knowledge.

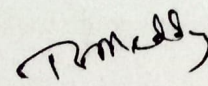

Day 4: Patent Search - Participants were guided through the art of patent search methodologies, utilizing various resources and tools to effectively conduct thorough searches.

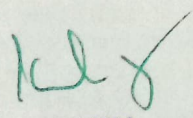

Day 5: Patent Draft - The day focused on the essential elements of drafting a patent, emphasizing clarity, specificity, and the technical nuances involved in presenting an effective patent draft.

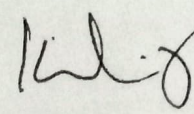

Day 6: Copyrights and Trademarks - The concluding day was dedicated to comprehending copyrights and trademarks, highlighting their significance, application, and protection in various industries.

Throughout the FDP, interactive sessions, case studies, and practical exercises enhanced participants' understanding and encouraged active engagement with the subject matter. The collaborative learning environment fostered valuable discussions and networking opportunities among attendees.

The FDP on IPR conducted by G. Pulla Reddy Engineering College proved to be a pivotal platform, equipping participants with in-depth knowledge and practical insights into the multifaceted realm of Intellectual Property Rights.
