Budget Proposal For the year 2023-24 Sl. No. 2 Date: 16/06/2023

Proposal for Organizing International Conference

To  
The Principal  
GNITS  
Hyderabad.

Sir,

I am writing to propose a budget for conducting conference on behalf of GNITS. As we strive to foster knowledge sharing and professional development within our institute, organizing a conference would serve as an excellent platform for experts, professionals, and enthusiasts to collaborate and exchange ideas.

The proposed conference, titled 5th International Conference on Data Science, Machine Learning & Applications (ICDSMLA) from 15<sup>th</sup>-16<sup>th</sup> December 2023, aims to bring together industry leaders, researchers, and practitioners from around the world to discuss emerging trends, advancements, and challenges in areas of computer science.

Proposed budget for the above Program will be as follows.

Expected Participants : 200

1. Brochure , Certificate Printing & Postage Charges	:	5000
2. Transport to Resource Persons & Mementos	:	50,000
3. Keynote speakers' travel, accommodation, and honorariums	:	1,00,000
4. Delegate Kits	:	50,000
5. Food , Snacks & Tea	:	1,00,000
6. Decoration	:	50,000
Photographs and Videography	:	25,000
<b>Total</b>	<b>:</b>	<b>3,80,000/-</b>

The registration charges of 7,00,000 (100papers X 7000) will be paid to Dr Vinit Kumar Gunjan towards publishing proceedings in Springer and to get them indexed in Scopus.

We kindly request your support in approving this proposed budget for the conference and allow us to conduct this event. Your contribution will greatly contribute to the realization of our vision and objectives.

Yours faithfully,

Dear Prof Vishnu S. Pendyala,

Department of Information Technology, G.Narayanamma Institute of Technology & Science(For Women), Hyderabad, Telangana, in association with Springer, is organizing the 5th International Conference on Data Science, Machine Learning & Applications (ICDSMLA- 2023)", during December 15th & 16th, 2023

We are delighted by your contributions to Applied Data Sciences and Machine Learning and your effect on knowledge as a prominent IEEE speaker. Your views, talents, and experiences would improve the conference and guide participants. Your keynote address will set the tone for important conversations and fresh ideas during the conference.

I feel privileged to invite you as a Keynote Speaker for the conference and enhance the knowledge among the staff, students and delegates through your valuable speech. It is scheduled on 15/12/2023 @ 10 AM. Please give your consent at the earliest possible to proceed for the conference event.

Thank you, and with sincere regards,

Dear Prof Vishnu Pendyala,

It gives me immense pleasure to inform you that the Department of Information Technology, **G.Narayanamm. Science(For Women), Hyderabad, Telangana**, in association with **Springer**, is organizing the **5<sup>th</sup> International Conference on Machine Learning & Applications (ICDSMLA- 2023)**, during **December 15<sup>th</sup> & 16<sup>th</sup>, 2023**.

I **Dr. I.Ravi Prakash Reddy**, Professor IT and Dean - Placements & Corporate Relations, GNITS and the **Conference Chair** pleasure am writing to extend an invitation for you to serve as keynote speaker at our prestigious conference.

In today's data-driven society, data science and machine learning are two interrelated disciplines that have acquired an important role in gaining beneficial insights, making informed decisions, and contributing to innovation across various industries. Knowledge exchange, cross-discipline collaboration, promotion of innovative ideas, exhibiting of recent advancements, and science and machine learning.

We have been highly impressed with your contributions to the field of Applied Data Sciences and Machine Learning and advancing knowledge through your contributions as a distinguished speaker at IEEE and ACM. Your insights, expertise, and experience will enrich the conference and provide invaluable guidance to our attendees. Your keynote speech will serve as a focal point and a stage for meaningful discussions and exploration of new ideas.

### ABOUT THE CONFERENCE

The 5<sup>th</sup> International Conference on Data Science, Machine Learning, and Applications (ICDSMLA-23) brings together researchers, practitioners, experts, academicians and students to present and discuss the latest innovations, trends, experiences, and issues in the field of data science and machine learning. In today's data-driven society, data science and machine learning are two interrelated disciplines that have acquired immense importance. They play a crucial role in gaining beneficial insights, making informed decisions, and contributing to innovation across a variety of industries. Machine learning, a subset of artificial intelligence, enables systems to learn from data enabling advancements. ICDSMLA aims to facilitate knowledge exchange, cross-discipline collaboration, promotion of innovative ideas, exhibiting of recent advancements and address challenges in data science and machine learning. Attendees acquire knowledge, build networks, and contribute to the advancement of these disciplines, thereby fostering the development of real-world applications and research breakthroughs.

### ABOUT GNITS

G. Narayanamma Institute of Technology & Science (GNITS) a leading Engineering college for women was founded by the late Sri G. Pulla Reddy in 1997, with the objective to provide quality education in Engineering. GNITS received UGC Autonomous status for 10 years from 2018 and is affiliated to Jawaharlal Nehru Technological University (JNTU-H), Hyderabad with accreditation from NAAC, NBA. College is listed in the rank band of 251-300 in NIRF-22 approved by MHRD. GNITS offers B.Tech (CSE, CSM, CSD, IT, ECE, EEE & ETM) and M.Tech (CSE, DECE, PEED, CNIS & WMC) programmes with 3200 students enrolled in the B.Tech stream and 120 in the M.Tech stream. The first college in India to establish Apple Lab, was inaugurated by Mr. Tim Cook, CEO of Apple. 28 MoUs with Industry are in place to support good internships and industry projects for students. Its excellent infrastructure provides opportunity for students to excel and secure placements in top MNCs on par with NITs, IITs & IIMs. The college has three research centres affiliated with JNTUH in CSE, ECE and EEE. The college has well qualified and dedicated faculty having 68 Doctorates and 94 pursuing PhD, contributing to quality publications and research activities. The institution has sponsored research and consultancy projects worth Rs. 1.11 crore from various funding agencies in the last 3 years. 32 patents are published and 8 are in Grant Status.

The Department of Information Technology was established in 1997 and the current intake is 120. In 2007, Post Graduate program in Computer Networks & Information Security with an intake of 12. The UG & PG programmes are NBA accredited. 90% of eligible students are getting placed in good companies like TCS, Adobe, JPMC, Amazon etc with highest pay package of 48 L and average package is 9L.

### CALL FOR PAPERS

Submission of high quality papers is expected not limiting to the areas mentioned. We are interested in the entire range of concepts from theory to practice including case studies, works-in-progress, and conceptual explorations. A virtual meeting platform is also made available for all registered authors who intend to submit their work but are unable to attend the conference.

SUBMIT YOUR PAPER THROUGH : <https://cm13.research.microsoft.com/User/Login?ReturnUri=%2FICDSMLA2023>

The scope of this conference has been kept wide and following are the topics covered (but not limited to):

- AI Applications in renewable energy systems
- Knowledge-based Systems and Formal Methods
- Artificial Intelligence
- Machine Learning
- Autonomous Agents
- Mathematical Modeling and Simulation
- Big data Tools & Technologies
- Microelectronics and VLSI and Embedded Systems
- Blockchain Communications- 5G, 6G and onwards
- Natural Language Processing
- BMS and ML based EV Technologies
- Optimization Techniques
- Body Area Networks
- Parallel & Scalable Computing
- Cloud & Fog Computing
- Power Electronic devices in Smart Grid applications
- Cognitive Computing
- Quantum Computing
- Communication technologies for EV Charging
- Real-time Analytics
- Computational Intelligence
- Recommendation Systems
- CyberPhysical Systems
- Satellite and Optical Communication
- Cyber Security
- Search Engines and Information Retrieval
- Data Analysis and Visualization
- Security and Information Assurance
- Data Science
- Security Tools & Technologies
- Deep Learning
- Sensor networks and embedded systems
- Distributed Computing
- Signal and Speech Processing
- Efficient battery management in EV Technology
- Smart Transmission grids with renewable energy Systems
- Geographic information systems
- Social Media
- Health Care
- Soft Computing
- Image and Video Processing
- Stream Mining
- Intelligent Agents
- Wireless Sensor Networks
- Internet of Things (IoT)

5<sup>th</sup> International Conference on Data Science, Machine Learning and Applications (ICDSMLA-23) is a great platform for collaboration, showcasing high-end research and industry initiatives, as well as gaining insight and knowledge from experts and authorities in the IoT, Machine Learning, and Data Science industry. Innovation is revolutionizing almost everything, from information technology, hardware, banking, healthcare, and automation. Cities and infrastructure are becoming smarter, healthcare is becoming more precise, and education is becoming more focused. The conference will discuss and bring together everything that could be of interest to individuals who have a passion for computing, data science, and machine learning.

The main aim of this conference was to bring together leading academicians, researchers, technocrats, practitioners, and students to exchange and share their experiences and research outputs on all aspects of IT. It was also meant to provide a premier interdisciplinary platform to present and discuss the most recent innovations, trends, and concerns as well as practical challenges encountered and solutions adopted in the field of IT

The planning for the conference began in June 2023 and the brochure was released by V V Laxmi Narayana, formerly Joint Director in CBI, in August 2023, Sri G.Raghava Reddy, Chairman, GNITS, Smt G.Srividya Reddy, Vice ChairPerson, Dr.K.Ramesh Reddy, Principal, Dr.I.Ravi Prakash Reddy, Dean-Placement & Corporate Relations & Conference Chair, Dr.S.Ramacharan, Hod-IT & Conference Chair, Dr.V.Supriya, Associate Prof. Department of IT, Dr.V.Sesha Bhargavi, Assistant Professor, Department of IT, Dr.A.Vijaya Krishna, Assistant Professor, Department of IT, GNITS.

On September 1st registrations are opened for paper submissions, by the end of October 5th deadline for Paper submission was given.
