Sir,

Sub: GNITS - H&M - Proposal to conduct Induction Programme - I B.Tech  
Admitted Batch- 2020 - From 23<sup>rd</sup> November to 28<sup>th</sup> November 2020 -  
Reg/-

It is proposed to organize 2-week Induction programme to the newly admitted B.Tech students of 2020 Batch from 23<sup>rd</sup> November to 28<sup>th</sup> November 2020. The programme is aimed to acclimatize the I B.Tech Engineering students to the new academic environment, the work ethos of the campus and to know the dynamics of the campus life through interacting with the Heads of the Departments, faculty members and invited guests.

In this regard it is requested for the Main Seminar Hall, Admin Block from 23<sup>rd</sup> November to 28<sup>th</sup> November 2020 for the conduction of the Induction Programme.

It is requested for the acceptance of the proposal.

Thanking you,  
Regards,

  
(P. APARNA)

A Report on Induction Program to Freshers – I B.Tech 2020 Admitted Batch  
23rd November to 28th November 2020

A two-week Induction Programme was organized to the I B.Tech 2020 Admitted Batch from 23<sup>rd</sup> November to 28<sup>th</sup> November 2020. The programme was majorly aimed to acclimatize the I B.Tech Engineering Students to the new academic and professional environment and get them acquainted with the academic regulations and the campus life.

The Induction Programme on Day was started with a brief note by the Head of the Department, Humanities and Mathematics on the importance of Induction Program and advised them to slowly understand the dynamics of the campus and the college academic guidelines and regulations during the interaction with the various Heads of the Department and the faculty members invited.

The sessions under Induction Program were carefully planned such that the new students are provided with the basic information and prerequisites needed for engineering courses and their chosen domain specialization. Academic Regulations, Assessment and Evaluation pattern, Academic and Administrative policies, Code of Ethics and Conduct, Institutional facilities and services provided to the students, Extra and Co-Curricular activities conducted by the various student led clubs and department technical Associations were part of the programme. Sessions on ethical code of conduct, human values, mental wellbeing, physical fitness, health and hygiene were delivered by the Student Counsellor, Physical Directress and various committee coordinators.

Following are the sessions planned and conducted as part of two-week Induction Programme:

- Universal Human Values and Professional Ethics:
  - Introduction to value based education
  - Understanding harmony at different levels
  - Personal etiquette and manners
  - How to handle Work life balance.
- Special Lectures:
  - Physical well-being versus Mental wellbeing
  - Time Management and Goal setting
  - Understanding Emotional Intelligence
  - Developing Managerial Skills

### Regulatory Affairs

- Academic Regulations
- Examination Regulations
- Detention and Condonation clauses
- Semester system and Credit policy
- Familiarization to the Departments
- Significance of the Branch of study
- Basic Teaching - Learning methods
- Application of Domain knowledge to the Society and Industry
- Visit to the department Labs, facilities and services
- Sessions by Senior Faculty/ Professors
- Career by Entrepreneurship
- Career by Research
- Higher Education Opportunities
- Strategic plan for Campus Recruitment
- Physical Activities
- Yoga and Meditation
- Indoor and Outdoor sports facilities
- Ice breaking sessions
- Team work

Getting the students understand the dynamics of the campus, campus life and their work culture and ethos in making a smooth transition from their previous Intermediate phase to the current professional course has been the core objective of the program. The Induction Programme has been highly successful in reorienting the students in understanding the need for their transformation to cope with their chosen elite engineering profession and to get acquainted with the teachers, department, labs, services and campus before getting into the classrooms and the academic schedules as per the academic calendar.
