CIRCULAR

Introduction of BFSI Minor Degree Program for Engineering Students.

This is to announce that in addition to the existing Honor / Minor engineering degree, a Minor Degree in BFSI (Banking, Financial Services, and Insurance) is proposed to be offered for the II/ III B.Tech Students for 4 semesters. . The Minor Degree is approved in Board of Studies, Discipline of Management Studies in accordance with JNTUH guidelines as well is for approval in the College Academic Council. This program has been developed collaboratively by the BFSI consortium, the Government of Telangana, and the Telangana Council of Higher Education for which the college is selected among 17 colleges in Telangana on Pilot Basis.

PROGRAM OVERVIEW:

Curriculum Structure: The BFSI program offers two tracks comprehensive 20-credit curriculum spread over four semesters with total hours 360 (240 theory + 120 Practicals).

Teaching methodology: The Sessions for the Minor Degree will be handled by the Industry Experts of BFSI

Eligibility: Students with no backlogs and with a CGPA 8 and more than 8 are eligible to apply.

Internship Opportunities: Students will have the opportunity to gain practical experience through internships, enhancing their skills and employability.

Course Fee: As this Minor Degree is offered by BFSI, there would be no additional charges.

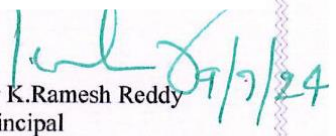

Advantages on Course Completion: Upon completion, students will be equipped with the knowledge and skills necessary to pursue careers in the BFSI sector based companies such as JP Morgan, Bank of America, with a focus on practical learning and industry-relevant expertise.

A Detailed orientation will be conducted to the registered students by BFSI to provide further insights into the BFSI program. For any queries, Students can reach out to the Course Coordinator.
