## **REPORT**

### **Workshop on Design Thinking, Critical Thinking and Innovation Design**

**Date of Program:** 22<sup>nd</sup> December, 2023

**Number of Participants:** 69 participants

**Number of Faculty Participants:** 5

**Resource Person:** Dr. Shashwat Pathak, Chief Executive Officer, AIC-GNITS

**Duration of the Session:** 9 hours

#### **About the Program**

GNITS Innovation & Incubation Department organized a Session on Design Thinking Workshop. The main objective of this workshop is to foster a creative and innovative mindset among students by introducing them to the principles and methodologies of design thinking. It started with introduction to design thinking, techniques for generating creative ideas and encouraged a free-flow of ideas without judgment. Ideation, prototyping and case studies showing successful applications for design thinking.
