Dear Rukmini,

Congratulations! It is our pleasure to offer you admission to the Master of Science in Data Analytics Engineering program in the College of Engineering. We are excited for you to begin your studies in the Fall 2023 term at the Boston campus.

The Admissions Committee was impressed with your academic and personal achievements and believes you will make an excellent contribution to the program. We have confidence in your future success and look forward to embarking on this journey with you.

To secure your place, please visit your applicant portal to complete your enrollment form and submit your tuition deposit as indicated by **April 1, 2023**.
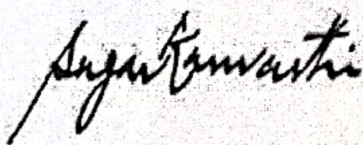

ABOUT THE COLLEGE OF ENGINEERING

The College of Engineering is a top-ranked, highly selective R1 research university, and we are thrilled to have you as part of our growing community. We are dedicated to studying and researching materials, processes, hardware, and software at every scale. Our wide range of disciplines integrate the values of fundamental and applied research to meet societal needs. Our multidisciplinary and experiential learning options expand your knowledge, fuel innovation, and enable you to reach your goals.
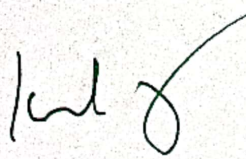

If you have questions regarding this admission offer, registration, curriculum, or other aspects of your enrollment, we are here to help. You will find our direct contact information listed on your applicant portal.

We look forward to welcoming you to the Northeastern University community.

Sincerely,

Dr. Sagar Kamarthi
Associate Dean for Graduate Education
